Caution is advised today for many reasons but mostly because you may not be striking the right balance between self expression and your drive to get ahead. A little diplomacy and self-restraint although frustrating for you at the moment, can be very helpful. If you are feeling very frustrated by the need to involve other people in your
equation, then you may benefit from a physical outlet. Sports, martial arts etc could be helpful.

**Jupiter in the 10th House**

From 17 Jul 19

Jupiter is the planet known for generosity, expansiveness and joie de vivre. Ancient astrologers considered it to have a positive influence heralding abundance and expansiveness. Therefore you can expect these traits to influence the area of your Birth Chart currently under its influence. Your career and public life are highlighted as the expansive planet Jupiter moves through the 10th House of your Chart. During this time you are likely to seek greater satisfaction from your chosen career. As a result you may seek and gain promotion, travel with your work, change jobs, or have the opportunity for further study to enhance your career. It is also possible that you take on a teaching or training role during this time. On the whole you seek more meaning and purpose. As US self-help speaker Earl Nightingale said: "We are at our very best, and we are happiest, when we are fully engaged in work we enjoy on the journey toward the goal we've established for ourselves. It gives meaning to our time off and comfort to our sleep. It makes everything else in life so wonderful, so worthwhile."

**Jupiter Trine The Sun**

From 17 Jul 19 To 18 Jul 19 15:32

Caution is advised today for many reasons but mostly because you may not be striking the right balance between self expression and your drive to get ahead. Take care with machinery and star away for dangerous situations and this can be a combative time. If you are not cautious you could alienate the very people who can help you. A little diplomacy and self-restraint although frustrating for you at the moment, can be very helpful. If you are feeling very frustrated by the need to involve other people in your equation, then you may benefit from a physical outlet. Sports, martial arts etc could be helpful.

**Jupiter Trine Mars**
It is survival of the fittest right now, whether on the sports field or in the workaday life. Be productive rather than destructive.

**Saturn in the 7th House**

From 17 Jul 19

"The planet Saturn rules all that is durable, long-lasting, hardened and able to be structured like lead or concrete; industries like building or agriculture and businesses that have long range goals, are traditional and well-established." So says renowned astrologer Brian Clark. Therefore Saturn is likely to force you to slow down and restructure any area that it influences in your Birth Chart. You are required to seriously assess the value of the life areas influenced by this serious planet. When Saturn moves into the 7th House of your Birth Chart your relationship with your partner demands attention. It is possible that your partner's life changes in ways that demand you bear greater responsibilities within the partnership. You may reassess your priorities in both business and personal partnerships. This could result in a greater commitment to your partner, or it could be that you decide to end a serious relationship or close a business contract. Marriages and divorces can both occur during this time. If you are not already in a serious relationship, then you may meet someone who has a significant influence on your life.

**Saturn Sesquisquare The Sun**

From 17 Jul 19

On the whole you are confident and optimistic during this period but you also make adjustments in the way that you conduct your affairs. Make the most of this sunny period to expand your horizons but don't push your luck. It behoves you to be the bigger person in certain situations. This is your chance to let go of negative behaviour and thoughts and to move forward with your goals.

**Saturn Trine The Moon**

From 17 Jul 19

During this short Moon and Jupiter transit show some restraint even though you may be tempted to go too far. Grandiosity is not appealing. Neither is excess. With a little self-control you can reap the rewards of this influence rather than suffer the consequences.

**Uranus in the 11th House**

From 17 Jul 19

Uranus is a planet that is full of surprises. It takes approximately 84 years to do a full circle around the Zodiac. This means that it moves slowly through each Zodiac Sign and its effects on your Birth Chart takes time to unfold. It is important to note that this erratic planet can affect your life in a variety of ways depending on how you cope with
change. If you try to resist change then you may find this planet's effects somewhat of a challenge. If you welcome liberation then you are in for a joyride. The planet Uranus helps you break free from past chains and restrictions and form new and more joyful ways of interacting in your life. Your life may be disrupted but you are then free from thinking inside the box, and new horizons open up. The area of your Birth Chart influenced by this liberating force is likely to be awakened and stimulated. As Uranus moves into the 11th House of your Birth Chart you surround yourself with unusual and eccentric friends, and feel the urge to socialise as you have never done so before. This could mean joining groups, particularly groups which have a cause or it could simply be meeting new friends.

**Uranus Sextile Mercury**

*From 23 Jul 19 14:43*

*Exact 15 Aug 19 23:52*

Delays can be frustrating but they can sometimes also cause you to take an alternative route that is far more satisfying. You may not realise how narrowly focussed you are being in your thinking. Take another look at aspects of your life that may be troubling you right now.

**Uranus Conjunction Saturn**

*Exact 06 Aug 19 13:01*

During this time you undergo changes. It could be that you adjust your ambitions, particularly in the area of business dealings or your professional life. Alternatively, it could be that you let go of structures which have become unsupportive. This could be as simple as changing bad habits, or as complex as reassessing the role of important people in your life. It is also possible that this process is a smooth one, or that you struggle to let go of the old and move towards new habits.

**Neptune in the 6th House**

*From 17 Jul 19*

The planet Neptune takes approximately 164 years to circle the Zodiac. This slow-moving planet's transits unfold slowly. It is therefore more significant to look at any exact transits that are occurring in your Birth Chart. Nevertheless it can be helpful to try to understand the effect of Neptune as it enters into and transits through a House in your Birth Chart. Neptune is the planet that urges us to search for meaning in our lives, to look beyond the structures and focus on purpose. For instance are you pursuing a career because of ambition and material rewards or is it your true purpose and fully satisfying? Therefore it is not uncommon for the initial effects of Neptune to be confusion and disillusion, perhaps even a sense of loss. Gradually awareness emerges and you are able to see what is underlying the illusions and what you can gain by changing your course and embracing values that truly enhance your journey in life. Neptune helps you see the truth of any situation and therefore live your own truth. As Neptune travels through your 6th House you need to take care of your health, taking particular care with drugs of any description. The trouble is that your body is overly-sensitive during this time. You may even develop or discover allergies. You may
also feel somewhat lethargic, overwhelmed by the demands of a busy life. A good balance of rest, exercise and a healthy diet goes a long way towards helping you cope with the stress of a busy schedule. You may also benefit from seeking advice from alternative healers, or perhaps even exploring options for working as a healer or in a spiritual field.

**Neptune Conjunction Jupiter**

From 17 Jul 19

It is out with the old and in with the new during this transit. You are letting go of goals and personal visions in order to take a new path. This could be difficult or it could be exciting, depending on the attitude which you are able to adopt during this topsy-turvy time.

**Pluto in the 4th House**

From 17 Jul 19

Pluto is the slowest moving planet in the Solar System, taking approximately 248 years to complete a circle around the Zodiac. This slow-moving planet's transits are long-lasting and initially pack a punch if you are not living according to your true natures. The more you are your authentic self, the more that you can embrace the positive side of Pluto. The author of the website Caf Astrology puts it best when stating: "Pluto compels us to explore more deeply. Superficiality is not acceptable for Pluto. Pluto transits insist that we get in touch with our core purpose and our deep sense of power. New levels of intimacy, not only with others but also with ourselves, are discovered and uncovered." Currently you may feel that the foundations of your life - family and home - are changing and it is difficult to find a firm foothold. In effect the foundations of your life, which you believed to be sure, are cracking. This can be exciting if you enjoy the challenge of change, but most often it is a time which leaves you feeling vulnerable. The areas most affected by this transit are your home and family members. It is a time of intensity and upheaval on the homefront. Family members may leave home or come to stay disrupting the comfortable routine. It is also possible that you change homes during this transit. Whatever the circumstances you are being asked to delve into your personal life with a view to changing at a deep level. You will not feel like the same person by the end of this period.
