Jupiter in the 12th House

From 01 Jun 21 03:48

It is time to re-charge your batteries quietly behind the scenes rather than seek the limelight. Recognition will come later. Now is the time to reflect. You may feel an urge to be of service to humanity. For instance if you do not have paid employment then you may seek volunteer work. On the other hand you may seek more meaning in your daily work, your friendships and your associations with relative and loved ones.

Saturn in the 7th House

From 09 May 21

"The planet Saturn rules all that is durable, long-lasting, hardened and able to be structured like lead or concrete; industries like building or agriculture and businesses that have long range goals, are traditional and well-established." So says renowned astrologer Brian Clark. Therefore Saturn is likely to force you to slow down and restructure any area that it influences in your Birth Chart. You are required to seriously assess the value of the life areas influenced by this serious planet. When Saturn moves into the 7th House of your Birth Chart your relationship with your partner demands attention. It is possible that your partner's life changes in ways that demand you bear greater responsibilities within the partnership. You may reassess your priorities in both business and personal partnerships. This could result in a greater commitment to your partner, or it could be that you decide to end a serious relationship or close a business contract. Marriages and divorces can both occur during this time. If you are not already in a serious relationship, then you may meet someone who has a significant influence on your life.

Saturn Quincunx Venus

Want to party? Resist the urge to be distracted. Now is the time to discover your true heart's desire. This could be a person, a vocation, or an artistic hobby.

Saturn Trine Saturn

Goals which have outlived their usefulness need to be shelved while you consolidate your current activities, particularly any business or professional dealings. You may also discover that hobbies have been taking up a little too much time and need to be put on the backburner during this transit.

Uranus in the 12th House

From 09 May 21

Uranus is a planet that is full of surprises. It takes approximately 84 years to do a full circle around the Zodiac. This means that it moves slowly through each Zodiac Sign and its effects on your Birth Chart takes time to unfold. It is important to note that this erratic planet can affect your life in a variety of ways depending on how you cope with change. If you try to resist change then you may find this planet's effects somewhat of a challenge. If you welcome liberation then you are in for a joyride. The planet Uranus helps you break free from past chains and restrictions and form new and more joyful ways of interacting in your life. Your life may be disrupted but you are then free from thinking inside the box, and new horizons open up. The area of your Birth Chart influenced by this liberating force is likely to be awakened and stimulated. This is a profound period in your life, although at times you may feel the need to retreat. On the positive side you experience intuitive flashes, initiate or join an unusual institution and expand your philanthropic interests. It is also possible that you probe the human psyche in an unusual fashion.

Neptune in the 6th House

From 09 May 21

The planet Neptune takes approximately 164 years to circle the Zodiac. This slow-moving planet's transits unfold slowly. It is therefore more significant to look at any exact transits that are occurring in your Birth Chart. Nevertheless it can be helpful to try to understand the effect of Neptune as it enters into and transits through a House in your Birth Chart. Neptune is the planet that urges us to search for meaning in our lives, to look beyond the structures and focus on purpose. For instance are you pursuing a career because of ambition and material rewards or is it your true purpose and fully satisfying? Therefore it is not uncommon for the initial effects of Neptune to be confusion and disillusion, perhaps even a sense of loss. Gradually awareness emerges and you are able to see what is underlying the illusions and what you can gain by changing your course and embracing values that truly enhance your journey in life. Neptune helps you see the truth of any situation and therefore live your own truth. As Neptune travels through your 6th House you need to take care of your health, taking particular care with drugs of any description. The trouble is that your body is overly-sensitive during this time. You may even develop or discover allergies. You may also feel somewhat lethargic, overwhelmed by the demands of a busy life. A good balance of rest, exercise and a healthy diet goes a long way towards helping you cope with the stress of a busy schedule. You may also benefit from seeking advice from alternative healers, or perhaps even exploring options for working as a healer or in a spiritual field.

Pluto in the 4th House

From 09 May 21

Pluto is the slowest moving planet in the Solar System, taking approximately 248 years to complete a circle around the Zodiac. This slow-moving planet's transits are long-lasting and initially pack a punch if you are not living according to your true natures. The more you are your authentic self, the more that you can embrace the positive side of Pluto. The author of the website Caf? Astrology puts it best when stating: "Pluto compels us to explore more deeply. Superficiality is not acceptable for Pluto. Pluto transits insist that we get in touch with our core purpose and our deep sense of power. New levels of intimacy, not only with others but also with ourselves, are discovered and uncovered." Currently you may feel that the foundations of your life - family and home - are changing and it is difficult to find a firm foothold. In effect the foundations of your life, which you believed to be sure, are cracking. This can be exciting if you enjoy the challenge of change, but most often it is a time which leaves you feeling vulnerable. The areas most affected by this transit are your home and family members. It is a time of intensity and upheaval on the homefront. Family members may leave home or come to stay disrupting the comfortable routine. It is also possible that you change homes during this transit. Whatever the circumstances you are being asked to delve into your personal life with a view to changing at a deep level. You will not feel like the same person by the end of this period.

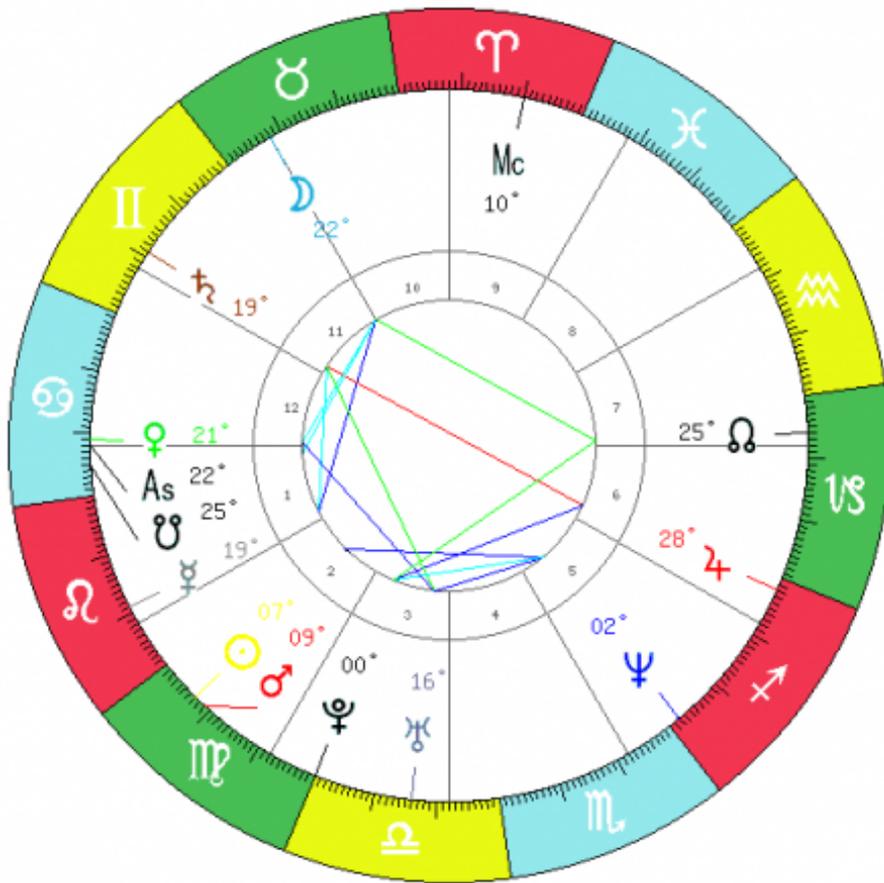

Pluto Quincunx Chiron

From 09 May 21

It's time to let go of memories and emotions from the past, which may still be lingering on your mind, and to face the future with the wisdom of maturity.
